The Spanish-English Frequency Dictionary 4 - Master Vocabulary is a handy tool that helps you learn practical Spanish vocabulary fast and efficiently.

Overview of the frequency dictionary

This dictionary contains the 7.501-10.000 most used Spanish words, listed by frequency. Building further on the vocabulary of the 1st, 2nd and 3rd book, you will be able to understand 98% of all daily spoken Spanish, and 95% of all written Spanish texts.

Designed for advanced to near-fluent students of Spanish, this book will allow you to quickly expand your vocabulary from roughly CEFR C1 to C2+.

It is not necessary to have read the 1st, 2nd or 3rd book in the series to enjoy this frequency dictionary. It can be used as a stand-alone tool, or in conjunction with any other language learning method.

What is inside this book?

The 7.501-10.000 most common Spanish words, listed by:

- general frequency
- frequency as part of speech (most common nouns, verbs, etc.)
- alphabetical order

Also included are 2.500 Spanish to English example sentences, and phonetic transcriptions to help you pronounce Spanish correctly.

The example sentences show you word usage, and help you get used to the grammar and flow of the language. In total, the example sentences consist of roughly 90.000 words. You'll have read the equivalent of a 180 page Spanish-English bilingual novel by the end of this book.

Want more useful vocabulary?

This book is part of a series. Each book contains 2.500 words, for a total of 10.000 words.
